

EXPERTS IN EU POLICIES AND PROGRAMMES IN THE FIELD OF RURAL DEVELOPMENT AND AGRICULTURE

RurEval EEIG, a Brussels-based consultancy, is looking for experts to increase its capacity to provide **expert services for managing and evaluating EU-funded programmes and policies**, mainly in the field of rural development and agriculture. *RurEval EEIG* is looking for:

- A) **highly motivated experts** willing to join its Brussels-based team on a full-time basis;
- B) **experienced experts** interested to collaborate in the above fields on a free-lance ad hoc basis.

Candidates should have a good knowledge on policies in the field of Common Agricultural Policy, particularly related to the food chain and environmental measures, and have a proven track record of research, evaluations and studies on EU-funded policies and programmes. The following skills are required:

- Relevant university degree (e.g. agricultural or environmental studies);
- In-depth analytical skills (application of advanced evaluation methods);
- Conceptual, methodological and problem-solving skills;
- Understanding of EU institutions, programmes, evaluation-cycle;
- Very good writing and communication skills in English;
- Accuracy, reliability and flexible approach to work;

Practical information

If your skills match the above criteria, you are invited to submit your **curriculum vitae** (Europass format) and **motivation letter** in English to Jean Vanweydeveld at the following email address: info@ruralevaluation.eu
