Who we are:

AEIDL was founded in 1988 by like-minded individuals who believed that European integration can make a positive contribution to citizenship and to the sustainable development of communities.

AEIDL's thematic expertise ranges from environment, sustainable territorial development; employment, migration and citizenship, to enterprise and integration, social policy, social innovation and public service modernisation.

The Association offers a range of professional services, including information management, web and digital communication; events, capacity building, and network animation; publications, social media and video services, as well as technical assistance, evaluation and consultancy services for a broad range of European contracts.

We are based in the heart of Brussels, hosting a diverse, international team of skilled, motivated and dynamic experts, delivering high-quality services to our clients.

The personal data contained in applications sent in response to job offers are collected and recorded by AEIDL's HR/KM departments in accordance with the General Data Protection Regulations concerning the protection of personal data. These data will be processed by authorised persons only to be able to assess your application for potential recruitment and will be kept for the time necessary to achieve this purpose. You may request access to your personal data and, if necessary, have them corrected. You also have the right to have them deleted, transferred, request a limitation of their processing or to object to it.

These various rights can be exercised by contacting the following address: privacy@aeidl.eu.
