

Agenda of the project launch conference

VP/2020/003/0218

Initiative for innovative integrated interventions in Miskolc – 4IM project

1st June 2022 (Kosice – hybrid event)

In English, Slovak and Hungarian, with simultaneous interpretation

Objectives and expected outcomes

The aim of the launch conference is to provide local and external stakeholders, representatives of partners and project implementers, as well as those working in the relevant policy units and policy makers, with an overview of the project objectives, planned activities, the range of collaborating organisations and the opportunity to contribute, and ensure wide publicity for the initiative.
